

Federal Actions Affecting Tribes in Nevada and Implications for Indian Country

Tuesday, June 25, 2019

1:30pm - 4:00pm

Room: Sierra 1

The Tribal Land Working Group (TLWG) is broadly tasked with tracking and soliciting input on how to address various issues affecting tribal lands. During this session, NCAI will discuss the recent Department of Energy (DOE) and National Nuclear Security Administration shipment of weapons-grade plutonium to Nevada without notification. The TLWG will also discuss NCAI's energy permitting and coordination project that is intended to improve private-party energy developer's decision-making process, understanding, and respect for tribal input where there are potential impacts to off-reservation tribal resources.

Working Group Co-Chairs:

Shannon Holsey, President, Stockbridge-Munsee Band of Mohican Indians; Co-Chair NCAI Tribal Lands Working Group

Larry Wright, Jr., Chairman, Ponca Tribe of Nebraska; Co-Chair NCAI Tribal Lands Working Group
