

NATIONAL CONGRESS OF AMERICAN INDIANS

POLICY RESEARCH CENTER

Pre Conference Data Institute

NCAI Mid Year Conference & Marketplace

Sunday, June 3, 2018

Colonial Ballroom

The mission of the NCAI Policy Research Center is to provide tribal leaders with the best available knowledge to make strategically proactive policy decisions in a framework of Native wisdom that positively impact the future of native peoples.

The purpose of the Pre-Conference Data Institute is to provide tools and resources for tribes as they use data to inform policy in their local, regional and national leadership.

8:30 am

Welcome

1:00 pm

Tribal Research Futures: Resources to Strengthen Governance, Trust & Culture in Tribal Academic Research Partnerships

This workshop will be an interactive session that will feature content from a new toolkit designed to strengthen tribal academic research partnerships and will feature the launch of the Tribal Research Futures Game during which attendees will engage with strategic and challenging scenarios in tribal academic research partnerships. Attendees will learn how governance, trust and culture are important pillars of successful tribal academic research partnerships.
