In its 2012 NPRM, the Commission proposed adding a statement to the Buyers Guide that describes the availability of vehicle history reports and directs consumers to an FTC Web site containing more information, and changing the Buyers Guide description of an “As Is” sale in which a dealer offers to sell a used vehicle without a warranty. In the November 2014 SNPRM, the Commission requested additional comments on proposed amendments that would require dealers to indicate on the Buyers Guide whether they have obtained a vehicle history report on an individual vehicle and, if so, to provide a copy to consumers who request one; revise the Buyers Guide statement describing an “As Is” sale; move boxes to the face of the Buyers Guide where dealers can indicate whether “non-dealer” warranties apply to a vehicle; and place a statement, in Spanish, on the face of the English language Buyers Guide advising Spanish-speaking consumers to ask for the Buyers Guide in Spanish if they cannot read it in English.

In a December 31, 2014, letter, the National Automobile Dealers Association, a national association of new franchise vehicle dealers, requested that the Commission extend the comment period by ninety days. The Commission agrees that extending the comment period to allow interested parties adequate time to address issues raised by the SNPRM will facilitate a more complete record, but believes that a forty-five day extension is sufficient. You can either file your comment online or on paper. For the Commission to consider your comment, we must receive it on or before March 17, 2015. Write “Used Car Rule Regulatory Review, 16 CFR Part 455, Project No. P087604” on your comment. Your comment—including your name and your state—will be placed on the public record of this proceeding, including, to the extent practicable, on the public Commission Web site, at http://www.ftc.gov/os/publiccomments.shtm. As a matter of discretion, the Commission tries to remove individuals’ home contact information from comments before placing them on the Commission Web site.

Because your comment will be made public, you are solely responsible for making sure that your comment does not include any sensitive personal information, such as anyone’s Social Security number, date of birth, driver’s license number or other state identification number or foreign country equivalent passport number, financial account number, or credit or debit card number. You are also solely responsible for making sure that your comment does not include any sensitive health information, such as medical records or other individually identifiable health information. In addition, do not include any “[t]rade secret or any commercial or financial information which is . . . privileged or confidential,” as discussed in Section 6(f) of the FTC Act, 15 U.S.C. 46(f), and FTC Rule 4.10(a)(2), 16 CFR 4.10(a)(2). In particular, do not include competitively sensitive information such as costs, sales statistics, inventories, formulas, patterns, devices, manufacturing processes, or customer names.

If you want the Commission to give your comment confidential treatment, you must file it in paper form, with a request for confidential treatment, and you must follow the procedure explained in FTC Rule 4.9(c), 16 CFR 4.9(c). Your comment will be kept confidential only if the FTC General Counsel grants your request in accordance with the law and the public interest.

Subsistence Management Regulations for Public Lands in Alaska; Rural Determination Process

AGENCIES: Forest Service, Agriculture; Fish and Wildlife Service, Interior.

ACTION: Proposed rule.

SUMMARY: The Secretaries propose to revise the regulations governing the rural determination process for the Federal Subsistence Program in Alaska. Under current regulations, the Federal Subsistence Board (Board) defines which community or area of Alaska is rural using guidelines and characteristics defined by the Secretaries. This new process will enable the Board to be more flexible in making decisions and take into account the regional differences found throughout the State.

DATES: Public comments: Comments and proposals to change this proposed rule must be received or postmarked by April 1, 2015.

Public meetings: The Secretaries, through the Board, will hold public meetings in conjunction with the Federal Subsistence Regional Advisory Councils (Councils) to receive comments on this proposed rule on several dates between February 10 and March 19, 2015. In addition, the Councils will discuss and make their recommendations to the Board. The Board will discuss and evaluate proposed regulatory changes during a public meeting in Anchorage, AK, on or before April 2016 and make recommendations on the proposed rule to the Secretary of the Interior and the Secretary of Agriculture. See SUPPLEMENTARY INFORMATION for specific information on dates and locations of the public meetings.

FOR FURTHER INFORMATION CONTACT:
Chair, Federal Subsistence Board, c/o U.S. Fish and Wildlife Service; Attention: Eugene R. Peltola, Jr., Office of Subsistence Management; (907) 786–3888 or subsistence@fws.gov. SUPPLEMENTARY INFORMATION:

Background

Under Title VIII of the Alaska National Interest Lands Conservation Act (ANILCA) (16 U.S.C. 3111–3126), the Secretary of the Interior and the Secretary of Agriculture (Secretaries) jointly implement the Federal Subsistence Management Program (Program). The Program provides a preference to rural Alaskan residents for taking fish and wildlife resources for subsistence uses on Federal public lands and waters in Alaska. Because the Program is a joint effort between Interior and Agriculture, these regulations are located in two titles of the Code of Federal Regulations (CFR): Title 36, “Parks, Forests, and Public Property,” and Title 50, “Wildlife and Fisheries,” at 36 CFR 242.1–242.28 and 50 CFR 100.1–100.28, respectively. The regulations contain subparts as follows: Subpart A, General Provisions; Subpart B, Program Structure; Subpart C, Board Determinations; and Subpart D, Subsistence Taking of Fish and Wildlife.

Consistent with subpart B of these regulations, the Secretaries established a Federal Subsistence Board to administer the Program. The Board comprises:
