Complaint # 55-040-03

On 02/07/03 at approximately 1530 hours I, Officer Osborne, was dispatched to the Victories Hotel for a marijuana complaint in one of the hotel rooms. The hotel is state jurisdiction but being that it was reported to be a small amount of marijuana, Emmet County advised tribal police to take the complaint and report to them if it was a valid complaint. After I arrived and had the suspect present, I asked for consent to search the room. The suspect gave consent and a search began. After searching through some personal items, a weapon was found that appeared operational. Emmet County Sheriffs Department was called and advised of the situation. Deputies arrived on scene and made an arrest for the weapon and for the illegal drugs.
