Acknowledgements

The National Congress of American Indians would like to thank the following organizations that provided budgetary requests, supporting information, and significant staff time and resources. This document would also not be possible without the support and guidance of tribal leaders who participated in federal agency consultations, who attended NCAI's annual budget task force meetings, or who have been valued partners over many fiscal years.

About this publication: The Indian Country Budget Request Report is published annually by the National Congress of American Indians as part of its mission to serve as a forum for unified policy development among tribal governments in order to: (1) protect and advance tribal governance and treaty rights; (2) promote economic development and health and welfare in American Indian and Alaska Native communities; and (3) educate the public toward a better understanding of American Indian and Alaska Native tribes. The Fiscal Year 2014 report is the ninth annual Indian Country budget request issued by the National Congress of American Indians.

About the cover: The seal developed for the Indian Country Budget Request document represents the nation-to-nation relationship between tribes and the United States government. The twelve stars symbolize the twelve areas represented by the National Congress of American Indians. The image of the US Capitol is a reminder of the federal governments’ trust responsibility. Finally the feather invokes the cultural values of Native people, tribal governments, and the written laws that affirm tribal sovereignty.
