

NCAI 75TH ANNUAL CONVENTION

University of Nevada, Reno

October 22, 2018

Mineral Hall E

TOOLS TO STRENGTHEN TRIBAL-ACADEMIC RESEARCH PARTNERSHIPS

This workshop will be an interactive session that will feature a new toolkit designed to strengthen tribal academic research partnerships and will present content from the new Holding Space discussion guide and the Tribal Research Futures Game during which attendees will engage with strategic and challenging scenarios in tribal-academic research partnerships. Attendees will learn how governance, trust and culture are important pillars of successful tribal academic research partnerships.
