Cases by Sex of Missing Person

States with the Highest Number of Published AI/AN Cases, with Case Counts

### NamUs Tribal Data Fields

In December 2018, data fields were added to NamUs to increase the sharing of information across local, state, federal, and tribal agencies. These data fields include:

- Was a missing person last seen on tribal land?
- Was the missing person's primary residence on tribal land?
- Was the missing person enrolled in, or affiliated with, one or more tribes?
- Was an unidentified person found deceased on tribal land?
- Does the tribal law enforcement agency participate in TAP (Tribal Access Program)?

### About NamUs

NamUs is funded and administered by the National Institute of Justice, and managed in partnership with the UNT Health Science Center through a cooperative agreement. For more information, visit:
